Section A. All Supporting Organizations

		Yes	No
1	Are all of the organization's supported organizations listed by name in the organization's governing documents? <i>If "No," describe in Part VI how the supported organizations are designated. If designated by class or purpose, describe the designation. If historic and continuing relationship, explain.</i>		
2	Did the organization have any supported organization that does not have an IRS determination of status under section 509(a)(1) or (2)? <i>If "Yes," explain in Part VI how the organization determined that the supported organization was described in section 509(a)(1) or (2).</i>		
3a	Did the organization have a supported organization described in section 501(c)(4), (5), or (6)? <i>If "Yes," answer lines 3b and 3c below.</i>		
b	Did the organization confirm that each supported organization qualified under section 501(c)(4), (5), or (6) and satisfied the public support tests under section 509(a)(2)? <i>If "Yes," describe in Part VI when and how the organization made the determination.</i>		
c	Did the organization ensure that all support to such organizations was used exclusively for section 170(c)(2)(B) purposes? <i>If "Yes," explain in Part VI what controls the organization put in place to ensure such use.</i>		
4a	Was any supported organization not organized in the United States ("foreign supported organization")? <i>If "Yes," and if you checked box 12a or 12b in Part I, answer lines 4b and 4c below.</i>		
b	Did the organization have ultimate control and discretion in deciding whether to make grants to the foreign supported organization? <i>If "Yes," describe in Part VI how the organization had such control and discretion despite being controlled or supervised by or in connection with its supported organizations.</i>		
c	Did the organization support any foreign supported organization that does not have an IRS determination under sections 501(c)(3) and 509(a)(1) or (2)? <i>If "Yes," explain in Part VI what controls the organization used to ensure that all support to the foreign supported organization was used exclusively for section 170(c)(2)(B) purposes.</i>		
5a	Did the organization add, substitute, or remove any supported organizations during the tax year? <i>If "Yes," answer lines 5b and 5c below (if applicable). Also, provide detail in Part VI, including (i) the names and EIN numbers of the supported organizations added, substituted, or removed; (ii) the reasons for each such action; (iii) the authority under the organization's organizing document authorizing such action; and (iv) how the action was accomplished (such as by amendment to the organizing document).</i>		
b	Type I or Type II only. Was any added or substituted supported organization part of a class already designated in the organization's organizing document?		
c	Substitutions only. Was the substitution the result of an event beyond the organization's control?		
6	Did the organization provide support (whether in the form of grants or the provision of services or facilities) to anyone other than (i) its supported organizations, (ii) individuals that are part of the charitable class benefited by one or more of its supported organizations, or (iii) other supporting organizations that also support or benefit one or more of the filing organization's supported organizations? <i>If "Yes," provide detail in Part VI.</i>		
7	Did the organization provide a grant, loan, compensation, or other similar payment to a substantial contributor (as defined in section 4958(c)(3)(C)), a family member of a substantial contributor, or a 35% controlled entity with regard to a substantial contributor? <i>If "Yes," complete Part I of Schedule L (Form 990).</i>		
8	Did the organization make a loan to a disqualified person (as defined in section 4958) not described on line 7? <i>If "Yes," complete Part I of Schedule L (Form 990).</i>		
9a	Was the organization controlled directly or indirectly at any time during the tax year by one or more disqualified persons, as defined in section 4946 (other than foundation managers and organizations described in section 509(a)(1) or (2))? <i>If "Yes," provide detail in Part VI.</i>		
b	Did one or more disqualified persons (as defined on line 9a) hold a controlling interest in any entity in which the supporting organization had an interest? <i>If "Yes," provide detail in Part VI.</i>		
c	Did a disqualified person (as defined on line 9a) have an ownership interest in, or derive any personal benefit from, assets in which the supporting organization also had an interest? <i>If "Yes," provide detail in Part VI.</i>		
10a	Was the organization subject to the excess business holdings rules of section 4943 because of section 4943(f) (regarding certain Type II supporting organizations, and all Type III non-functionally integrated supporting organizations)? <i>If "Yes," answer line 10b below.</i>		
b	Did the organization have any excess business holdings in the tax year? <i>(Use Schedule C, Form 4720, to determine whether the organization had excess business holdings.)</i>		

Part IV Supporting Organizations (continued)

	Yes	No
11 Has the organization accepted a gift or contribution from any of the following persons?		
a A person who directly or indirectly controls, either alone or together with persons described on lines 11b and 11c below, the governing body of a supported organization?		
b A family member of a person described on line 11a above?		
c A 35% controlled entity of a person described on line 11a or 11b above? <i>If "Yes" to line 11a, 11b, or 11c, provide detail in Part VI.</i>		

Section B. Type I Supporting Organizations

	Yes	No
1 Did the governing body, members of the governing body, officers acting in their official capacity, or membership of one or more supported organizations have the power to regularly appoint or elect at least a majority of the organization's officers, directors, or trustees at all times during the tax year? <i>If "No," describe in Part VI how the supported organization(s) effectively operated, supervised, or controlled the organization's activities. If the organization had more than one supported organization, describe how the powers to appoint and/or remove officers, directors, or trustees were allocated among the supported organizations and what conditions or restrictions, if any, applied to such powers during the tax year.</i>		
2 Did the organization operate for the benefit of any supported organization other than the supported organization(s) that operated, supervised, or controlled the supporting organization? <i>If "Yes," explain in Part VI how providing such benefit carried out the purposes of the supported organization(s) that operated, supervised, or controlled the supporting organization.</i>		

Section C. Type II Supporting Organizations

	Yes	No
1 Were a majority of the organization's directors or trustees during the tax year also a majority of the directors or trustees of each of the organization's supported organization(s)? <i>If "No," describe in Part VI how control or management of the supporting organization was vested in the same persons that controlled or managed the supported organization(s).</i>		

Section D. All Type III Supporting Organizations

	Yes	No
1 Did the organization provide to each of its supported organizations, by the last day of the fifth month of the organization's tax year, (i) a written notice describing the type and amount of support provided during the prior tax year, (ii) a copy of the Form 990 that was most recently filed as of the date of notification, and (iii) copies of the organization's governing documents in effect on the date of notification, to the extent not previously provided?		
2 Were any of the organization's officers, directors, or trustees either (i) appointed or elected by the supported organization(s) or (ii) serving on the governing body of a supported organization? <i>If "No," explain in Part VI how the organization maintained a close and continuous working relationship with the supported organization(s).</i>		
3 By reason of the relationship described on line 2, above, did the organization's supported organizations have a significant voice in the organization's investment policies and in directing the use of the organization's income or assets at all times during the tax year? <i>If "Yes," describe in Part VI the role the organization's supported organizations played in this regard.</i>		

Section E. Type III Functionally Integrated Supporting Organizations

1 Check the box next to the method that the organization used to satisfy the Integral Part Test during the year (see instructions).		
a <input type="checkbox"/> The organization satisfied the Activities Test. <i>Complete line 2 below.</i>		
b <input type="checkbox"/> The organization is the parent of each of its supported organizations. <i>Complete line 3 below.</i>		
c <input type="checkbox"/> The organization supported a governmental entity. <i>Describe in Part VI how you supported a governmental entity (see instructions).</i>		
2 Activities Test. <i>Answer lines 2a and 2b below.</i>		
a Did substantially all of the organization's activities during the tax year directly further the exempt purposes of the supported organization(s) to which the organization was responsive? <i>If "Yes," then in Part VI identify those supported organizations and explain how these activities directly furthered their exempt purposes, how the organization was responsive to those supported organizations, and how the organization determined that these activities constituted substantially all of its activities.</i>		
b Did the activities described on line 2a, above, constitute activities that, but for the organization's involvement, one or more of the organization's supported organization(s) would have been engaged in? <i>If "Yes," explain in Part VI the reasons for the organization's position that its supported organization(s) would have engaged in these activities but for the organization's involvement.</i>		
3 Parent of Supported Organizations. <i>Answer lines 3a and 3b below.</i>		
a Did the organization have the power to regularly appoint or elect a majority of the officers, directors, or trustees of each of the supported organizations? <i>If "Yes" or "No," provide details in Part VI.</i>		
b Did the organization exercise a substantial degree of direction over the policies, programs, and activities of each of its supported organizations? <i>If "Yes," describe in Part VI the role played by the organization in this regard.</i>

Part X - FIN 48 Footnote

The Medical Center is a not-for-profit corporation that has been recognized as tax-exempt pursuant to Section 501(c)(3) of the Internal Revenue Code.

The Medical Center applies accounting policies that prescribe when to recognize and how to measure the financial statement effects of income tax

Part XIII Supplemental Information *(continued)*

positions taken or expected to be taken on its income tax returns. These rules require management to evaluate the likelihood that, upon examination by the relevant taxing jurisdictions, those income tax positions would be sustained. Based on that evaluation, the Medical Center only recognizes the maximum benefit of each income tax position that is more than 50% likely of being sustained. To the extent that all or a portion of the benefits of an income tax position are not recognized, a liability would be recognized for the unrecognized benefits, along with any interest and penalties that would result from disallowance of the position. Should any such penalties and interest be incurred, they would be recognized as operating expenses.

Based on the results of management's evaluation, no liability in the accompanying combined balance sheets for unrecognized income tax positions. Further, no interest or penalties have been accrued or charged to expense as of June 30, 2022 and 2021 or for the years then ended. The Medical Center's tax returns are subject to possible examination by the taxing authorities. For federal income tax purposes, the tax returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

Tanner Medical Group is part of a tax-exempt organization pursuant to Section 501(c)(3) of the Internal Revenue Code. The affiliated business services provided are, however, subject to unrelated business income taxes and a Form 990-T, Exempt Organization Business Income Tax Return is filed for these services.

In addition to being made available on Tanner's website: tanner.org, copies of the CHNA were disseminated to the hospital's board and executive leadership; the assessment team; community stakeholders who contributed to the assessment; and multiple community leaders, volunteers and organizations that could benefit from the information. Tanner also provided copies for distribution upon request. Other communication efforts included presentations of assessment findings throughout the community.

The identification of health needs was shaped by an awareness of public health concerns, assessment data and each hospital's strengths in the context of the system's priorities. Additionally, when selecting final targeted health priorities, Tanner considered additional variables such as the availability of evidence-based solutions as well as existing partnerships and programming. These components were used to identify priority areas. Focus groups participated in a prioritization exercise that involved classifying and ranking identified needs and assets. It also involved discussing what current or new initiatives and partners should be included in the hospital's three-year implementation plans.

The goal was to determine how to best support the highest prioritized needs while leveraging community assets and resources. Through this process of evaluation, six priority health issues were selected from the broader list of priorities identified in the CHNA as specific areas of focus for each of Tanner's Health System's hospitals (Tanner Medical Center/Carrollton, Tanner Medical Center/Villa Rica, Higgins General Hospital) Community Health Implementation Strategy, including:

1 Access to Care

2 Mental/Behavioral Health Services

3 Chronic Disease Education, Prevention and Management

4 Health and Nutrition Education

5 Substance Misuse

6 Social Determinants of Health

health through daily patient care activities as well as outreach, prevention, education and wellness opportunities. With the help of community partners, Tanner has successfully implemented programs that help west Georgia residents with the healthcare and preventive services they need.

Below are some of the steps taken to meet the significant health needs identified in Tanner's FY 2022 CHNA by Community Health Implementation Strategy priority area.

ACCESS TO CARE:

Tanner continued to develop new clinical programs to expand treatment capabilities and ensure a full continuum of coverage and optimal disease management. Programs implemented included cardiac surgery, electrophysiology, interventional cardiology and thoracic surgery, orthopedic and spine services, active and independent living, assisted living and memory care services, innovative outpatient care models, site-specific cancer programs and expansion of primary care services.

Tanner expanded access to surgical services across the region by preparing and launching cardiac surgery, expanding thoracic surgical services, opening a new ambulatory surgery center in Carrollton to provide greater access to orthopedic and spine services, and implementing a general surgery program at Tanner Medical Center/East Alabama.

Tanner also developed and implemented plans for patient bed expansion at Tanner Medical Center Carrollton and Villa Rica to support service line growth and access to care for the growing region.

During fiscal years 2020-2022, the patient-centered medical home (PCMH)/patient-centered specialty practice (PCSP)/patient-centered

connected care (PCCC) models were expanded to more practices throughout west Georgia and east Alabama, furthering the ability of patients with greater medical needs to manage their care in an outpatient setting. The COVID-19 pandemic forced telemedicine to play an even more critical role in curbing the exposure to and transmission of infectious diseases while helping keep our front lines safe and ensure they have the resources to respond adequately to the challenges presented by COVID-19. Through assistance from the Federal Communications Commission (FCC) COVID-19 Telehealth Program grant in 2020, Tanner has expanded its existing telemedicine platform through InTouch Health to include additional specialties and locations, and remote patient monitoring (RPM) technologies through Vivify Health, all integrated with Tanner's electronic health record, EPIC.

Tanner uses its telehealth platform to expand inpatient, outpatient and post-acute care services to all patients throughout the community. Tanner's inpatient teams use robots and tablets integrated into the telehealth platform to allow remote specialists to consult patients for complex conditions relating to psychiatry, maternal-fetal medicine, internal medicine and emergency medicine.

All of Tanner's Medical Group practices can complete patient visits via telehealth. Inpatient and ambulatory care management can now assign patients a remote monitoring kit as patients discharge for hospital care to ensure close tracking of vital signs as patients convalesce in their homes. The Intouch platform and devices integrate to allow Tanner's teams to schedule and launch visits out of EPIC for improved clinician workflows. The integration also provides an added layer of security to ensure the

visits are tied to a specific patient. The remote patient monitoring technology from Vivify also integrates with EPIC to allow for patient information to flow across for registration into the Vivify system. Sixty-seven patients are currently in the RPM program as of May 2023. Tanner's expansion of its telehealth platform has freed up resources to manage our current reality through several key measures. Telehealth has supported physical distancing efforts to reduce COVID-19 virus transmission and ensured care availability to those who need it most by triaging low-risk urgent care.

It has also provided follow-up appointments for chronic disease and behavioral health patients who may require routine check-ins. By reducing unnecessary visits to healthcare environments, Tanner's expanded telehealth platform aims to curb the exposure to and transmission of infectious diseases while helping keep front-line workers safe and ensure they have the resources needed to take on the challenges presented by COVID-19.

Tanner completed the open-heart build and configuration. The health system also increased myChart activation to connect patients to the health system and Tanner Medical group as their preferred healthcare partner.

Additionally, Tanner established a quality journey to high reliability (HRO) to ensure the continued delivery of quality care effectively, efficiently and predictably by conducting Serious Safety event training. The health system also conducted Just Culture training and a Culture of Safety Survey.

In February 2021, Tanner partnered with West Georgia Ambulance to launch a community paramedic program in Carrollton. As part of the program, paramedics make daily home visits to assess a patient's health within 24

hours of being discharged from the hospital.

Tanner's medical staff determines the number of visits required. During each visit, paramedics assess the home environment and check the patient's vitals.

They also determine if the patient is complying with discharge instructions, medications and protocols based on their diagnosis. The program helps reduce the likelihood of readmissions immediately after discharge.

As of May 2023, medical staff referred 315 patients to the program. Tanner also expanded patient transport services between Tanner facilities with the purchase of West Georgia Ambulance in September 2022.

The number of medical providers available in a community directly impacts that community's ability to access care. Tanner's primary service areas of Carroll, Haralson and Heard counties are medically underserved and health professional shortage areas.

To combat this problem and improve access to medical care in the region, Tanner continued to recruit more physicians to practice in the area, enabling patients to choose from a greater number of providers in an expanded field of specialties. During FY 2022, Tanner welcomed 6 new physicians to its medical staff, representing specialties in obstetrics and gynecology, psychiatry, anesthesiology, cardiology, dermatology, primary care, radiation oncology, and ear, nose and throat (ENT).

Tanner also provided 5 "Future of Health Care" scholarships in FY 2022 to students from across the region that are enrolled in medical school or advanced practice provider programs and offered clinical, educational opportunities for nursing students at the University of West Georgia and

West Georgia Technical College throughout the health system's hospitals and clinics. In addition, Get Healthy, Live Well is connecting senior nursing students at the University of West Georgia to a variety of community health opportunities in west Georgia through a preceptorship program that will help them increase knowledge and gain skills in community health work. Each nursing student is required to complete 20 hours of programming assistance with Get Healthy, Live Well. In FY 2022, 146 nursing students participated in the preceptorship program, completing over 2,000 hours. In FY 2023 (through May 2003), 99 nursing students participated in the preceptorship program, completing over 1,000 hours.

Tanner continued to develop and expand health career mentoring and internship programs, including Tanner Connections and Tanner Teen Institute programs.

Tanner continued to implement Tanner Cancer Care's Cancer Patient Transportation Program.

Through generous donations to the Tanner Foundation, the health system can ensure patients don't miss a necessary medical appointment just because they don't have a ride.

The cancer center's convenient west Georgia location makes it easier for patients to travel to appointments without needing a ride to Atlanta or Birmingham. Tanner Cancer Care center staff are also available to pick patients up if needed so they can stay on track with their treatment.

Tanner also continues to provide indigent patient transportation services to qualified patients to and from Tanner treatment/care facilities with a nurse/clinician referral, supported by Tanner Medical Foundation.

Additionally, the health system works with public safety, local government,

transportation agencies, etc., to achieve convenient, low-cost transportation options.

Tanner is committed to providing financial assistance to persons with healthcare needs who are uninsured or underinsured, ineligible for a government program, and unable to pay for medically necessary care because of their financial situations. Consistent with its mission to provide quality health care to all citizens, Tanner strives to ensure the financial capacity of people needing healthcare services does not prevent them from receiving or seeking care.

During FY 2022, Tanner Medical Center, Inc. provided more than \$11 million in charity and indigent care (at cost). Tanner also works closely with and financially supports two community-based indigent clinics, the Rapha Clinic and Latinos United Carroll County Clinic. The clinics provide low-cost and free medical services to area residents who otherwise could not afford care.

GHLW partnered with Good Pill Pharmacy, a nonprofit pharmacy dedicated to getting people the medication they need at an affordable price, regardless of insurance status. Stanford University students founded Good Pill to help the uninsured, underinsured, and others struggling to pay prescription costs.

It's a mail-order operation where physicians can send a prescription electronically, by phone or fax, or a patient can get a doctor to send it or have Good Pill work a transfer from another pharmacy. In 2016, the Georgia General Assembly passed a law establishing regulations for such a drug donation program.

MENTAL/BEHAVIORAL HEALTH SERVICES:

Willowbrooke at Tanner, the behavioral health division of Tanner Medical Center, Inc., provides complete behavioral health care across Georgia and east Alabama through inpatient, outpatient and in-home counseling and psychiatric services.

With facilities closing and declines in residential treatment and inpatient care options across the state, Willowbrooke at Tanner continues to look at ways to take the lead on providing a broad continuum of quality mental health treatment services while keeping patients in the communities in which they reside. Tanner keeps access to a continuum of behavioral health services a phone call away with free, confidential behavioral health assessments from Willowbrooke.

With a call to Willowbrooke at Tanner's help line, a behavioral health clinician trained in crisis intervention can arrange an assessment and connect a person to an entire community-based network of resources and treatment options within and outside Tanner's continuum of care.

Willowbrooke continued developing and providing specialized therapies to its patients during the year, including expressive therapy, rhythmic therapy, animal-assisted therapy and equestrian therapy.

Willowbrooke at Tanner participates in the Carroll County Crisis Response Team (CCCRT), which responds to 911 calls that are psychiatric or substance use-related with a POST-certified law enforcement officer, who is also a paramedic, and a licensed clinician (LPC/LCSW) whose goal is to respond, resolve, and refer in order for the community member to gain immediate

access to behavioral health care, as well as, avoid any unnecessary interaction/escalation with law enforcement, resulting in legal consequences or worse. This partnership will allow those in crisis to bypass the Emergency Department (with inherent long wait times) and receive care faster.

The team will also follow up with the individual days after the crisis to ensure they follow up with recommended care and continue monitoring their stability/progress. This unit responds to an average of 40 calls monthly. Willowbrooke at Tanner also has a clinician who provides treatment in Douglas County through Hope Court, Douglas County's mental health court. The division is also partnering with Douglas County Juvenile Court to create a juvenile mental health court called "Second Chance Court."

Willowbrooke at Tanner continued implementing and expanding its school-based behavioral health therapy services in the region. In FY 2022, the division partnered with eight school systems to have 12 licensed behavioral health counselors in elementary, middle and high schools, offering direct access to mental health services to hundreds of school-aged children and their families.

In response to the COVID-19 pandemic, Willowbrooke at Tanner established an easy-access Help Line - a part of Tanner's Care Your Way, to assist patients with the stresses amplified by the pandemic. Patients can call 770-812-3266 to learn more or to schedule a free phone screening with a clinician, followed by an appointment for a telehealth visit with a licensed therapist.

Willowbrooke Counseling Center's counselors offer comprehensive outpatient counseling and therapies to help patients get their lives back on track.

Willowbrooke at Tanner has a strong history of successfully collaborating with other agencies, including law enforcement, area juvenile/truancy courts, the Department of Family and Children's Services, the Department of Juvenile Justice, physical offices and schools. Willowbrooke staff and administration frequently attend community meetings with these agencies and organizations, allowing for the identification of community needs to be shared and for Tanner to get involved with assistance when necessary.

During fiscal years 2020-2022, Willowbrooke at Tanner held multiple educational seminars for mental health professionals, including social workers, marriage and family therapists, and licensed professional counselors, offering Continuing Education Units (CEUs) to attendees. students' psychiatric clinical rotations.

Willowbrooke at Tanner is also partnering with Morehouse School of Medicine to offer medical education training after the school requested to be the provider of all psychiatric clinical rotations for their medical students. Additionally, the division is partnering with Emory to be a training site for their fourth and fifth-year child and adolescent physicians in their psychiatric fellowship training.

Willowbrooke at Tanner offered a public education program to train adults in the community to help children and adolescents struggling with mental health issues. The Youth Mental Health First Aid (YMHFA) program helps provide youth with the best opportunity to succeed in school, at home and throughout their lives.

YMHFA taught individuals who work and interact with young people to respond when a child is experiencing a behavioral health challenge or crisis. The program doesn't teach participants how to diagnose mental health issues; instead, it teaches them to use a five-step action plan to help and support young people in non-crisis and crises.

These situations include experiencing thoughts of suicide, self-harming or substance abuse. In January 2021, 13 Healthy Haralson Youth Mental Health task force members attended a training class and were certified in YMHFA. Also, in January 2021, 20 Healthy Haralson Junior Leadership Team students participated in a non-certification training event and learned the basic aspects of YMHFA.

In September 2022, Tanner hosted a free webinar with Carroll County Schools to help educate the community on how to start the conversation about mental health. An audience of parents, caregivers, educators and teens watched a

special, web-based panel discussion titled "Stand Up to Stigma: Breaking the Silence, Changing the Conversation."

Webinar attendees learned about mental health and how to reduce the stigma surrounding it. The event featured a question-and-answer session with a panel of behavioral health experts from Willowbrooke at Tanner and Carroll County Schools.

The panelists shared facts about mental health, warning signs of mental illness and where to get help. A recording is available online at tanner.org/stigma.

Through the COVID-19 pandemic, Willowbrooke at Tanner worked to ensure access to behavioral health services during a challenging time. Through referrals from EPIC, Tanner's electronic health record system, the health system continued serving patients with leading-edge behavioral health services online as patients remained at home.

Tying in primary care providers with mental health providers is vital to Tanner's efforts to provide holistic care to every patient.

CHRONIC DISEASE EDUCATION, PREVENTION AND MANAGEMENT:

Tanner has a long-standing commitment to advancing community health and successfully developing and implementing population health approaches to best meet the needs of the communities it serves, employing a variety of strategies aimed at the deterrence, early detection and minimization or cessation of disease at the population level.

In 2012, Tanner established Get Healthy, Live Well (GHLW), a multi-sector coalition with over 35 task forces consisting of over 600 community volunteers and over 270 local, state and national partners. GHLW is engaging people, ideas, and resources to develop and implement various

evidence-based interventions to reduce chronic disease risks and promote healthy lifestyles for the 167,654 residents of Carroll, Haralson and Heard counties.

Taskforce memberships include representatives from county and city governments, parks and recreation departments, school boards and schools, colleges and universities, restaurants, boys and girls clubs, convenience stores, farm and farmers' markets, civic groups, faith-based institutions, chambers of commerce, business and industry, social service agencies, state and local public health departments, rural health clinics, private health care providers and more. Since its establishment, GHLW has made significant gains to improve the health status of the communities Tanner serves.

From Fall 2019 through May 2023, GHLW volunteers have provided an average of 10,100 hours of service annually, an estimated worth of \$243,800 per year. For additional information on Get Healthy, Live Well, visit gethealthylivewell.org.

GHLW implemented a variety of efforts to reduce exposure to secondhand smoke and reduce tobacco use among youth and adults during FY 2022 and 2023. The Freshstart nicotine cessation program, developed by the American Cancer Society, has been augmented by the GHLW coalition's efforts to assist over 20 local organizations since 2012 in implementing tobacco-free policies, impacting over 65,000 individuals.

GHLW continued to implement a variety of interventions to increase access to physical activity opportunities in the community. This included continuing its partnership with the West Georgia Track Club to implement Move It Mondays, an eight-week program designed to turn walkers into joggers.

Since 2019, there have been 330 participants. In September 2019, September 2021 and September 2022, Tanner Health System presented the Carrollton Half Marathon in partnership with the City of Carrollton and the West Georgia Track Club, helping showcase the Carrollton GreenBelt with over 1,000 race participants each year.

Tanner has been proactive in encouraging residents to undergo recommended health screenings based on a variety of factors (including age, health habits, lifestyle, etc.) using emails, direct mail pieces, flyers, exposure at community events and more to raise awareness. The health system has encouraged residents to use free online health risk assessments for various health conditions - including diabetes, heart disease and colorectal cancer.

GHLW has held three screening events during FY 2022 through partnerships with three faith-based organizations, offering blood pressure screenings and healthy lifestyle education, reaching over 200 residents. In addition, CPR educational events were held on five different occasions, reaching 140 residents.

Tanner's GHLW staff updates physicians on patient referrals, progress and outcomes. Since launching a robust CCL linkages referral process in early 2016, over 8,750 individuals have been referred to a GHLW program, with nearly 130 area clinicians currently providing referrals.

In January 2022, GHLW implemented a new wellness program for local employers, providing comprehensive chronic disease and healthy lifestyle education programs. Staff hosted on-site vaccine clinics at local business and industry sites.

In the last four years, GHLW implemented new wellness programs for eight

employers, representing over 2,400 employees, to determine current efforts and implement new strategies to increase access to affordable, healthy food and beverages and promote physical activity. Initiatives included, but were not limited to, weight loss and walking meeting challenges, hydration challenges, providing technical assistance in vending machine policies and fitness center planning and more.

In September and October 2021, GHLW and the Carroll County Chamber of Commerce hosted an online series about navigating the pandemic for business leaders. The event provided insight into how businesses can remain strong during a crisis.

A panel of local experts and speakers discussed: vaccinations, how to keep the workplace safe, how to help employees deal with challenges they face at work and home and more.

GHLW's employee wellness program employs registered dietitians, exercise specialists and health coaches who work with employees and lead group classes to help employees lose weight, manage chronic diseases and adopt healthier habits.

Each year, GHLW provides all employees free wellness assessments, including a cholesterol screening, blood glucose reading, body mass index (BMI) check and more. The initiative continues to cultivate a healthier workforce through programs like HealthBridge/chronic disease management and Livongo for Diabetes.

This includes expanding HealthBridge's health coaching program. GHLW also improved organizational policies and practices to increase opportunities for chronic disease prevention, risk reduction and management in worksites by requiring annual nurse practitioner visits for HealthBridge

participants.

GHLW conducted screening health assessments at worksites that included feedback, health education and employee referral to services that align with their health needs. Worksites screenings included the Carroll EMC, the city of Carrollton, the city of Villa Rica and Pilgrims Pride.

GHLW also provided training and technical assistance to worksites in developing and implementing policy, systems and environmental (PSA) modification strategies that promote chronic disease prevention, risk reduction and management. This resulted in the city of Villa Rica implementing a wellness program strategy.

Tanner employees also have 24-hour access to Tanner Health Source exercise facilities, which feature cardio and weight-training equipment, at its hospital campuses in Carrollton, Villa Rica and Bremen. The investments have paid dividends in improved health for Tanner's employees. The average BMI of Tanner's workforce has dropped from 35 in 2010 to 30.53 in 2022. The average blood pressure reading for employees also has dropped, from 125/76 in 2010 to 117/78 in 2022.

To improve the health of a community, education - as well as healthy food access and physical activity opportunities - is key. That's why GHLW moved into a new facility that will help fill the need for more spaces promoting healthy, active lifestyles.

GHLW hosts a variety of classes and programs in the building, including Cooking Matters (CM), Diabetes Prevention Program (DPP), Freshstart nicotine cessation program, Food As Medicine (FAM), Living Well With Diabetes, Living Well Workshop and Tai Chi for Health. The building includes a state-of-the-art teaching kitchen where GHLW staff host healthy

cooking classes.

It also features the Healthy Food Farmacy, providing free boxes of fresh, nutritious food for food-insecure participants of its FAM program. The program is for area residents struggling with controlling diabetes or high blood pressure and the cost of healthy foods.

GHLW has expanded its FAM health coaching program to better equip patients to manage their chronic conditions and live healthier, more active lives. Through a collaboration with the Atlanta Community Food Bank, qualifying participants can visit the Healthy Food Farmacy and "shop" weekly with GHLW's specially trained team members.

GHLW staff help participants choose healthier options, plan meals and learn healthier ways to prepare them. The facility also offers lifestyle and cooking classes, diabetes and high blood pressure education and more, so participants can take control of their condition. GHLW increased access to community-based chronic disease preventive services and self-management programs in organizational settings.

Tanner will be happy to share steps taken with regard to items 4-6, if requested.

Part II - Community Building Activities

At Tanner Health System, efforts to promote the health of the communities it serves go beyond providing health services.

Tanner takes a proactive approach to address the social determinants of health and the underlying root causes of poor health. The health system supports the World Health Organization's definition of health as "a state of complete physical, mental, and social well-being and not merely the absence of disease or infirmity."

Tanner provides a variety of community-building activities to strengthen the community's capacity to promote the health of well-being of its residents. Representing some of the largest employers in its communities, Tanner's hospitals actively participate in and contribute to local chambers

of commerce and civic organizations.

This helps ensure the economic development, growth and stability of its local communities. Tanner participates in and supports youth programs that focus on developing leadership skills, enhancing academic success, improving health, cultivating community responsibility and offering career exploration opportunities.

Through partnerships such as Keep Carroll Beautiful, there are ongoing efforts by Tanner to reduce community environmental hazards in the air, water and ground, as well as the safe removal of other toxic waste products. Tanner supports several local advocacy organizations that promote the community's health and safety.

Tanner actively and continually prepares for emergencies, utility failures, natural disasters and other potential disruptions, working closely with federal, state and local governments, area business consortiums, community leaders and public safety agencies to ensure effective community-wide responses to unplanned events. To address the healthcare workforce shortage, Tanner continues to foster its established, strong partnerships with local universities and community colleges, including the University of

healthcare needs of their respective communities once every three years.

Tanner's CHNA is an organized, formal and systematic approach to identify and address the needs of underserved communities across Tanner's geographic footprint. The CHNA guides the development and implementation of a comprehensive plan to improve health outcomes for those disproportionately affected by disease. This CHNA also informs the creation of an Implementation Strategy for future community health programming, and community benefit resource allocation across Tanner's hospitals. As a nonprofit organization, Tanner's CHNAs align with guidelines established by the Affordable Care Act and comply with Internal Revenue Service (IRS) requirements.

In FY 2022, Tanner Medical Center, Inc.'s two acute care hospitals - Tanner Medical Center/Carrollton and Tanner Medical Center/Villa Rica - and Tanner's critical access hospital, Higgins General Hospital in Bremen, completed a comprehensive CHNA to identify the health needs of their communities further. Tanner completed previous CHNAs in FY 2013, FY 2016 and FY 2019.

These comprehensive multifactor assessments included collecting and

analyzing quantitative data and qualitative input from residents gathered through key informant interviews, community listening sessions, and focus groups. Through the CHNA process, Tanner has identified the greatest health needs among its hospital's communities.

This enables the health system to ensure it appropriately directs its resources toward outreach, prevention, education and wellness opportunities, where it will have the most significant impact.

In selecting priorities, Tanner considered the degree of community need for additional resources, the capacity of other agencies to meet the need and the suitability of Tanner's expertise to address the issue. The health system looked for health needs that require a coordinated response across various healthcare and community sectors.

Responding to key CHNA findings, the priority areas to be addressed during fiscal years 2023-2025 by Tanner Medical Center, Inc. includes (1) Access to Care; (2) Mental/Behavioral Health Services (3) Chronic Disease Education, Prevention and Management; (4) Health and Nutrition Education; (5) Substance Misuse; and (6) Social Determinants of Health.

Part VI, Line 3 - Patient Education of Eligibility for Assistance

Tanner provides patients with information about the organization's charity/indigent program at registration and on the Tanner website.

Any self-pay or underinsured patients must meet the criteria for indigent care to have the cost of their care written off by the system. Tanner interviews patients and prepares financial statements.

Tanner refers patients who meet the criteria for Medicaid eligibility to an outside vendor for assistance. A patient with a family income up to 200% (two times) of the Federal Poverty Guidelines (FPG) based on family size receive a 100% discount for medically necessary services.

Patients with large, medically necessary medical bills which have created a financial hardship are considered for a sliding scale discount. The lower the patient's discretionary income and the higher the healthcare bills allow for more charity allowances.

Patients whose family income exceeds two times the applicable FPG may also qualify for sliding scale discounts on medically necessary services. Tanner provides translation assistance for patients as needed.

Part VI, Line 5 - Promotion of Community Health

In FY 2022, Tanner Medical Center, Inc. provided more than \$34 million in community benefit services, including charity care at cost and a range of diverse programs designed to enhance access and promote the community's health.

Tanner Medical Center is a nonprofit organization dedicated to improving the health of the residents in the communities it serves. That's why Tanner reinvests all its surplus funds from its operating and investment activities to improve access to care, expand and replace existing facilities and equipment and invest in technological advancements.

The health system also reinvests its surplus funds to support community health programs and advance medical training, education and research.

Medical staff privileges are open to physicians whose experience and training are verified through credentialing. The process gathers and verifies credentials, allows the medical staff to evaluate the applicant's

qualifications, previous experience and competence, and ultimately decides to grant or deny medical staff privileges.

To the benefit of the community, a board of directors governs Tanner Medical Center, Inc. Most of the board comprises persons who reside throughout Tanner's primary service area and are neither contractors nor employees of the organization (nor family members thereof). The Tanner Medical Center, Inc. Board of Directors ensures that the health system develops programs to address the disproportionate unmet health-related needs of the communities it serves.

The board is also responsible for ensuring community benefit initiatives are developed to promote the broad health of the community. The board establishes key measures of system-wide community benefit performance and receives regular reports on progress toward established goals.

In fulfilling these responsibilities, in FY 2014, the board designated a community benefit committee. The committee includes at least three board members, with a majority representation from a range of community stakeholders with expertise in certain areas.

These areas include the characteristics and history of local communities

Form 990 - Organization's Mission

To provide a continuum of quality healthcare services within our resource capabilities. To serve as a leader in a collaborative effort with the community to provide health education, support services, and care for the county and surrounding area.

Form 990, Part III, Line 4a - First Accomplishment

Tanner Medical Center, Inc. provides healthcare to the population of Northwest Georgia and East Alabama. Services are for both inpatient service and outpatient ancillary services including physician offices. As a not for profit corporation, Tanner provides services to patients regardless of their ability to pay for these services.

Tanner Medical Center, Inc. is a regional healthcare provider with more than 300 physicians representing 35 unique medical specialties. Tanner provides a wide range of comprehensive medical services for residents in a region of West Georgia and East Alabama. Tanner's facilities include the 180-bed acute care Tanner Medical Center/Carrollton; the Roy Richards, Sr. Cancer Center, Tanner Heart and Vascular Center, Tanner Breast Health, the Tanner Advanced Wound Center, Employee Assistance Program (Tanner EAP) and more. More information on Tanner Medical Center, Inc. is available in the health system's annual community benefit report, which can be downloaded at <http://www.tanner.org/main/healthlivingmagazine.aspx>

Tanner Medical Center, Inc. is a not-for-profit healthcare system. The Medical Center provides inpatient, outpatient and emergency care services to residents of West Georgia and surrounding areas. Admitting physicians

are primarily practitioners in the local area and employed physicians.
 Tanner Medical Center, Inc. includes the following:
 Tanner Medical Center/Carrollton, established to provide comprehensive
 healthcare services through the operation of a 180-bed acute care hospital
 in Carrollton, Georgia.

Form 990, Part VI, Line 3 - Management Delegated

Cypress Healthcare Partners, LLC, an unrelated organization, is a
 consulting firm providing management services to Tanner. Cypress Healthcare
 Partners, LLC assigned William Hines as Chief Administrative Officer.
 Service provided by William Hines includes directing various departmental
 operations (TMC Engineering, Dietary, Human Resources etc.), managing
 physician practices, and hospice and home health operations.

Form 990, Part VI, Line 11b - Organization's Process to Review Form 990

The organization's Accounting Department gathers information for the
 preparation of the Form 990 and consults with the CFO and Compliance
 Officer on certain matters. Prior to filing with the IRS, a draft copy as
 prepared by the external accounting firm is reviewed by the CFO for
 accuracy. Once corrections are made, the final version is distributed to
 all voting board members via electronic means prior to filing with the IRS.

Form 990, Part VI, Line 12c - Enforcement of Conflicts Policy

The policy covers all employees, suppliers, medical staff and volunteers.
 Conflicts are reviewed by the Compliance Officer for resolution. The
 compliance officer then consults with the executive team and the CEO for
 final resolution. Per the policy, any person with a conflict will excuse

Name of the organization Tanner Medical Center, Inc	Employer identification number 58-1790149

themselves from the decision making process completely. Board members physically leave the room when discussions occur that are potential conflicts. Tanner bids out services and if a company owned by a board member chooses to bid, there are additional steps for transparency, such as advertising the bidding process in the newspaper. All services are compared to fair market value. Transactions involving any potential conflict of interest are handled by the attorney to make sure all steps are taken to comply with the conflict of interest policy.

Form 990, Part VI, Line 15a - Compensation Process for Top Official

The organization's compensation committee reviews recommendations and approves compensation packages for all senior management. TMC uses an outside nationally known compensation and benefits firm that uses survey information, reviews job standards, etc. for all senior management. The outside firm analyzes comparable compensation data for similarly qualified persons in functionally comparable positions at similarly situated organizations and presents the data to the compensation committee. With respect to deliberations and decisions regarding the compensation arrangement, official minutes are kept. The executive assistant to the CEO maintains the minutes. This process is completed every year in March.

Form 990, Part VI, Line 15b - Compensation Process for Officers

See narrative for line 15a.
