

INTRODUCING

TANNER ONE CALL

Need to transfer a patient to a Tanner facility? Tanner has a one-call-does-it-all number to help facilitate fast, efficient transfers and referrals.

Registered Nurses who are experienced in emergency medicine and critical care will:

- Answer your call
- Secure the provider
- Coordinate the transfer and referral
- Arrange a transfer
- Initiate a confirmation call back

You will be asked:

- Is this an emergency?
- Where is the patient now?
- A brief description of the purpose of the admission/transfer
- Clinical information pertinent to the admission/transfer

**Call One Number.
One Time.
1.844.Tanner0
(1.844.826.6370)
24 hours a day,
7 days a week**

We look forward to coordinating the logistics so you may focus on direct patient care!
